# YOUR LOCAL

---

Opened in 1887, The Leyton Star is one of the oldest pubs in Leyton and East London.

Originally known 'The Grenadier' and more latterly 'The King Harold', the pub was reopened after a complete renovation in 2016 with a contemporary look. The pub features a versatile function room, known as the Gold Room, a Karaoke room and a large garden courtyard. It also serves a menu of the tastiest, most succulent and very filling burgers.

# WHICH ROOM IS THE ONE FOR YOU?

---

The Leyton Star has a great selection of rooms and spaces available to hire. These can be booked for 2 to 200 people. Take a look through all the different and versatile options available to you.

# THE GOLD ROOM

---

The Gold Room, located upstairs, is The Leyton Star's hidden secret. It is a decorative and elegant space suitable for any party, meeting, or sit-down meal.

It can hold up to 60 people seated or 100 standing and has its own TV for presentations, watching live sport or video messages. A room ideally suited to any celebration, wedding or event.

## THE GOLD ROOM & KARAOKE ROOM

# KARAOKE ROOM

---

We know many of you love to have a good old sing along when you are partying, and our Karaoke room was made just for that.

It holds a Lucky Voice machine which has over ten thousand songs on it with all the artists you could want, from A-Ha to ZZ Top. Sing along with up to 30 people while ordering drinks in the comfort of the room via the Electric Star app.

# GARDEN COURTYARD

---

Our Garden Courtyard has a selection of open wooden booths perfect for sitting and enjoying the outdoors. They are all fully covered to allow the fun to continue come rain or shine.

In the garden we are proud of our 'Paloma Palm Trees' which featured in Paloma Faith's 'Fall from Grace' world tour. It also has its own cosy games room, which has a retro pinball machine, television and a darts board to entertain all guests.

# WEDDINGS

---

Whether you're looking for somewhere to host an intimate wedding breakfast or just a good old-fashioned knees-up, we'd love to offer the perfect backdrop to your perfect day.

# BUSINESS EVENTS

---

From meetings to all-day training sessions, our Gold Room is the perfect space to get the team out of the office and into a beautiful setting.

The rooms offer excellent facilities with complimentary Wi-Fi and a television and speaker system for all your presentation needs.

# WAKES AND MEMORIALS

---

We can offer a private, unintrusive and respectful service for funeral receptions, where family and friends are able to come together to share memories and celebrate the life of your loved one.

# FOOD

---

For many years, we have been championing London's best street food traders in our kitchens. Offering residencies to some of the finest names in Street Food and giving our customers some of the best beer-friendly bites in the business.

Having an external company running the food means that we are getting the best quality food from people who really care about every dish they serve. Constantly innovating their menus, it ensures that the food in all of our pubs matches everything else in the venue and is at a constant high standard.
